HEAD LICE / NITS

If your child has recently had head lice/nits and you require further advice on effective treatment options, please refer to page 6 of the newsletter to avoid the spread to others.

PROM EXCHANGE

This year, we have decided to hold a prom clothing exchange scheme (in preparation for the Y6 prom) where families can donate any unwanted dresses, suits, shirts, ties, shoes, bags, and accessories for our current Y6 pupils to choose from if necessary. If these could be donated by **Monday 20th May**, we will launder them (if possible) and have them available for parents/pupils to browse and take away from **03.06.24** free of charge. As a school, we are trying our best to limit costs around special events and thought this would be a great way to reuse unwanted clothing items.

SPORTS DAY

Thank you for being so supportive of this year's Sports Day. We appreciate you taking the time to come and support the children as they competed in various races throughout the morning/afternoon sessions. It was an enjoyable day for all and the children have spoken positively of their experience.

BANK HOLIDAY MONDAY

Please remember that the school will be closed on Monday 6th May as it is a bank holiday.

OAKER WOOD MEETING FOR Y5&6 PARENTS

REMINDER - On Tuesday 7th May, we will be holding a meeting for Y5 and Y6 parents to discuss the residential trip to Oaker Wood. During this meeting, we will share a presentation which will hopefully give you an overview of the activities your child will participate in, and provide key information about meal options, kit lists, adult supervision/safety, and communicating with your child etc. We will also answer any questions you may have about the trip.

Please join us in the school hall at 2:45 pm.

CCBC EDUCATION SERVICES – ESTYN INSPECTION

We just wanted to let you know that CCBC Education Services will be subject to an Estyn Inspection over the coming months.

Estyn inspectors have confirmed that they will undertake their review between **24th – 28th June** and the inspection team will be based in the offices at Ty Penallta throughout that week.

A lot of information, data and documentation will be collected during the inspection and a range of officers and teaching staff will also be interviewed during the process.

In addition, there will be an opportunity for parents to complete a survey. The survey will be available online from 15th April for 3 weeks.

If you wish to complete the survey, please do so via the link below:

<https://www.smartsurvey.co.uk/s/UWMTQ+>

Thank you!

NURSERY/RECEPTION CLASS SPORTS DAY

Nursery and Reception pupils will take part in their Sports Day on 16.05.24. Parents are invited to attend the event which will begin at 10 am on the main school yard.

ABSENCE

We are noticing an increase in pupil absences and many of these absences are not being communicated with the school. If your child is absent from school, please inform the school at your earliest convenience. All absences must be reported so that we can monitor attendance and provide support where necessary. If you do not provide a reason, the absence will be recorded as unauthorised and 5 days of unauthorised absence could lead to a fixed penalty notice or a referral to the Education Welfare Service.

'No Limits to Learning!' - 'Dim Ffiniau i Ddysgu!'

Dear Parent/Carer

There is no need to apply again if you have already applied for eFSM

Universal Primary Free School Meals (UPFSM)

It is Welsh Government's aim that every child in primary school in Wales will be eligible for a universal primary free school meal (UPFSM) by 2024, regardless of household income.

In Caerphilly County Borough this is already the case and all full-time pupils in primary school can have a free school meal.

However it is important to know the difference between UPFSM and eFSM so that you can claim other benefits that go with eFSM

Eligible Free School Meal (eFSM)

Families who meet certain criteria, for example those on lower incomes or in receipt of certain benefits, may be eligible to apply for eFSM. Families in receipt of eFSM are also eligible to receive the Pupil Development Grant to buy school uniforms and equipment, sports kit and equipment for activities outside school.

If you think you might be eligible for eFSM please apply.

For more information about the eligibility criteria and the application process for eFSM please visit: [www.caerphilly.gov.uk/Free school meals](http://www.caerphilly.gov.uk/Free%20school%20meals)

If you are already eligible for eFSM there is no need to apply again

Thanks very much

Head lice and Nits

Head lice and nits are very common in young children and their families. They do not have anything to do with dirty hair and are picked up by head-to-head contact.

Head lice can make your head feel:

- itchy
- like something is moving in your hair

The only way to be sure someone has head lice is by finding live lice.

You can do this by combing their hair with a special fine-toothed comb (detection comb). You can buy these online or at pharmacies.

How to get rid of head lice

Treat head lice as soon as you spot them. You can treat head lice without seeing a GP.

You should check everyone in the house and start treating anyone who has head lice on the same day.

There's no need to keep your child off school if they have head lice.

Wet combing

Lice and nits can be removed by wet combing.

You can buy a special fine-toothed comb (detection comb) online or from pharmacies to remove head lice and nits.

There may be instructions on the pack, but usually you:

- wash hair with ordinary shampoo
- apply lots of conditioner (any conditioner will do)
- comb the whole head of hair, from the roots to the ends

It usually takes about 10 minutes to comb short hair, and 20 to 30 minutes for long, frizzy or curly hair.

Do wet combing on days 1, 5, 9 and 13 to catch any newly hatched head lice. Check again that everyone's hair is free of lice on day 17.

Medicated lotions and sprays

If wet combing has not worked or is not suitable, you could try a medicated lotion or spray. These kill head lice in all types of hair, and you can buy them from pharmacies, supermarkets or online.

Head lice should die within a day. Some lotions and sprays come with a comb to remove dead lice and eggs.

Some treatments need to be repeated after a week to kill any newly hatched lice.

Check the pack to see if they're OK for you or your child and how to use them.

If lotions or sprays do not work, speak to a pharmacist about other treatments.

Some treatments are not recommended because they're unlikely to work.

For example:

- products containing permethrin
- head lice "repellents"
- electric combs for head lice
- tree and plant oil treatments, such as tea tree oil, eucalyptus oil and lavender oil herbal remedies

You cannot prevent head lice

There's nothing you can do to prevent head lice.

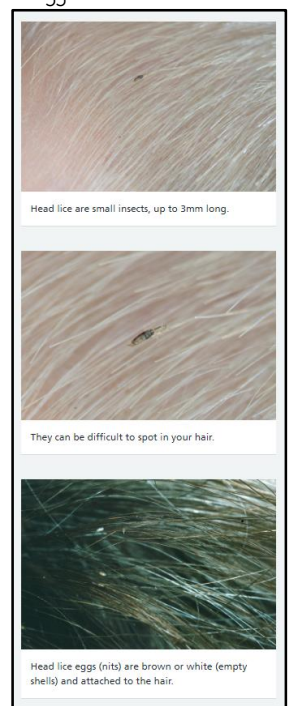

You can help stop them spreading by wet or dry combing regularly to catch them early.

Do not use medicated lotions and sprays to prevent head lice. They can irritate the scalp.

There's no need for children to stay off school or to wash laundry on a hot wash.
