

<p>1 Literacy</p> <ul style="list-style-type: none"> We will work with all children to raise their literacy and informational language skills. We will continue to use a range of ICT equipment and provide pupils with the opportunity to develop their digital skills and reading skills through the Assisted Reader programme. We will work hard to improve your child's writing skills particularly spelling and punctuation through the use of sentence stacking. We will improve your child's oracy skills through the use of our Irish, Spanish and Welsh taster. 	<p>2 Quality of Teaching</p> <ul style="list-style-type: none"> We will ensure staff have opportunities for professional development and that it has an impact on teacher practice. We will focus on utilising and valuing high-quality expert teaching across the curriculum for all pupils. We will ensure we have clear purposes for assessment and all pupils make progress as they journey through the continuum of learning. We will continue to work on the teaching and learning strategy, ensuring it reflects current approaches to teaching and learning across the school allowing for consistency. 	<p>3 Curriculum</p> <ul style="list-style-type: none"> We will continue to work with you and your children to review and evaluate our ROADMAP curriculum. We will develop your children as researchers by providing opportunities to complete pupil inquiry projects to help shape our curriculum. We will develop your child's understanding of the world of work by providing them with the opportunity to learn about careers and personal development. We will ensure pupils develop critical thinking and problem solving skills through a range of engaging learning opportunities.
<p>4 Wellbeing</p> <ul style="list-style-type: none"> We will work hard to ensure your children are happy and safe in school by providing calm and relaxing spaces within the classroom. We will promote the personal development and wellbeing of pupils through work in school with individuals, families and outside agencies. We will promote the six principles of nurture in all that we do. We will ensure your child make their full potential by promoting attendance. We will support your child's wellbeing through a range of activities e.g. sports, ELSA sessions etc. 	<p>5 LEADERSHIP</p> <ul style="list-style-type: none"> We will work hard to create a staffing structure that can evolve to include further leadership opportunities. We will continue to push teachers to identify powerful improvements in teaching and create a model of instructional leadership. We will provide your children with opportunities to develop on their leadership and research skills. 	<p>6 VOICE</p> <ul style="list-style-type: none"> We will promote the views of pupils through a range of activities e.g. Mac Swaid. We will promote the wellbeing of all pupils. We will allow pupils to make decisions about their learning. We will continue to work towards promoting our values schoolwide through the UNICEF Rights Respecting Schools. We will work towards the re-constitution of the PFC Gild award.
